User Login (for admin or volunteers)	❌ No	✅ Yes	Secure login system to manage content or users.
Resource Downloads (PDFs, etc.)	✅ Yes	❌ No	Files can be linked directly — no special system needed.

✅ What's Static (No Backend Needed)

These are "brochure-style" pages. Fast to build, easy to update:

- Home

- About Us

- Services

- Testimonials (pre-written)

- Educational resources

🛠️ What Needs Backend & Database

These are interactive or data-driven features:

- Donations (secure payment)

- Forms (volunteer, contact)

- Newsletter email signup

- Blog (if editable by staff)

- Event RSVPs (optional)

- Admin logins (if needed)
